IDEAS/SUGGESTIONS for those who have travelled to South America, you might like to bring along some memorabilia to display, eg. photos, jewellery, clothing. Also please bring your mate flask and straw to share with the group.
Some tantalizing South American music would be appreciated

In regards to food, we need the recipe for the empanadas, and some blood sausages (if you know a butcher who makes them).

If you have any ideas on how to make the Argentinean BBQ a most memorable evening, please contact Jill.
