The cost is \$40 which covers all meals.  
Contact Robert on 07 4628 2284

## From the Rockhampton Office...

November was a very busy month. As some members are aware, the Society purchased the In-Design graphic design computer software and the Annual Journal was produced from your very own Society office. This has saved money and allowed the Society to have full control of the magazine. The purchase of this program will allow all advertising for other publications will be completed through the office.

On an annoying note, I advise members that there was another attempted break-in at the office last week. Someone had broken away a fair bit of the solid timber door and fortunately the deadlock was bent in the process and stopped the thieves from gaining access to the building; a reminder of how we need to keep things locked up!

I wish everyone a very Merry Christmas and thank you all for your support throughout 2009. Please stay safe over the Christmas/ New Year period and we can only hope the rains will arrive..... its certainly hot enough!

## REMINDER FROM LAST NEWSLETTER

### Website

Small changes are being made to the website. If you have a story to include or cattle to sell please let me know.
